

This award is given to both company drivers and owner operators who consistently perform their duties at the highest levels of excellence. They are exceptionally safe in their daily operations, are accurate and punctual with their trip planning and paperwork, and are consistently on-time for pick-ups and deliveries. Through their actions, they demonstrate expertise in their craft, and they embody our company's "Quality Driven Tradition" commitment to our customers and our communities.

Bay & Bay began tracking this milestone in 2010.
